WE HAVE THE WATCH

AN ORIGINAL PAINTING BY MARK CHURMS

Mark Churms, www.markchurms.com, is an accomplished military artist with an impressive array of art depicting historic, as well as modern, military subjects.

Once again, he has lent his considerable talent to the task of commemorating the monumental efforts of Air Defenders from across the country to defend Washington, DC in the wake of the 9/11 terrorist attacks.

Mark's original painting entitled "We Have the Watch", is scheduled for completion in June 2015 and will be placed in the Joint Air Defense Operations Center (JADOC) located at Joint Base Anacostia-Bolling in a dedication ceremony to be held in the latter part of 2015.

Corporate, non-profit, and individual partners have joined forces with the Joint Air Defense Operations Center to make this effort a reality.

Their tremendous generosity has funded the efforts' inception, but.... **We Need Your Help!**

Please take a moment to consider a Patriot sponsorship for your organization, or an early purchase of a signed and numbered print that will help us complete this project, honoring the sacrifice of our Soldiers, Airmen, and Families in their valiant defense of our Nation.

Become a Patriot Sponsor

Corporations, military organizations, and individuals may sponsor this effort directly by contributing to its initial cost.

Your organization, or you, as an individual, will have your name listed on the dedication plaque and formally announced at the dedication of the original painting.

Additionally, your level of sponsorship may also entitle you to one or more limited edition, numbered and signed prints. Only 1000 of these limited prints will be made available.

Reserve your limited edition print

You can help support this project by making an early commitment to the purchase of one of 1000 limited edition prints.

Simply complete the attached order form and forward as noted on the form.

Important Facts

This project is financially underwritten by the South Carolina National Guard Foundation, a 501 c3 non-profit organization, dedicated to the support of National Guardsmen and their Families.

Sponsorships and early sales proceeds are applied first to the cost of the project with the remaining balance dedicated to the Foundations' mission of supporting the men and women of the Army and Air National Guard.

Your purchase may be tax-deductible. Please consult with your tax advisor as to the deductibility of this expense.

The project is scheduled for completion on June 30th, 2015 with the projected availability of signed and numbered prints no later than December 15th, 2015.

Special Offer for National Guard Associations

Our National Guard Association of the United States (NGAUS), and our State National Guard Associations are absolutely essential to our professional lives as Guardsmen.

Our voice in Washington, they represent the collective interests of more than 300,000 Citizen Soldiers and Airmen, as well as their Families.

In recognition of these facts, we would like to invite our National organization, as well as the respective State Associations that contain our nation's Air Defenders, to become Patriot sponsors of this effort.

For a \$2000.00 sponsorship, we will formally recognize the respective association in the program to dedicate the finished work of art, as well as on the dedication plaque that will accompany its presentation to the JADOC.

Additionally, we will provide ten numbered and signed prints (a \$1500.00 value) at no additional cost to the Association. These prints may be given to honor members of your association or auctioned or sold to offset the expense of the sponsorship.

We hope you'll consider being a part of this effort to recognize our collective contributions to the nation's defense.
